1. Personal details and the date of the CV

- Whitehead
- Ridwan
- ORCID ID: 0009-0002-2888-7304
- 08/10/2026

2. Degrees

- 2026, Doctor of Philosophy, Educational Sciences, Doctoral Degree Programme in Education Sciences and Psychology, University of Oulu, Finland.
- 2022, Master of Art, Learning, Education, and Technology International Master's Programme, University of Oulu, Finland.
- 2020, Bachelor of Art, Foreign Language Education, English Language Teaching, Middle East Technical University, Ankara, Turkey.

3. Other education and expertise

- December 2024, Data Science Methods for Digital Learning Platforms, Penn GSE Graduate School of Education, University of Pennsylvania, USA.

4. Language skills

- English (Native)
- Turkish (C2)
- Italian (A2)
- Finnish (A2)
- Arabic (A2)

5. Current employment

- 2026 – 2027 December, Post-Doctoral Researcher, University of Oulu, Oulu.
- Stage 2

6. Previous work experience

- 2021, Learning Experience Designer, Sebit Information and Education Technologies Inc., Ankara, Turkey.
- 2019 – 2020, English Language Teacher, METU Developmental Foundation Schools, Ankara, Turkey.

7. Career breaks

None

8. Research funding and grants

- 2022 – 2025, Eudaimonia Institute, Spearhead project, Sanna Järvelä.
- 2026 – 2027, Business Finland co-creation, Sanna Järvelä

9. Research output

- Number of publications: 11 (eleven). Full list at the end of the document.
- Methods used: Statistical tests (t-tests, chi-tests, etc.), Recurrence quantification analysis, multimodal learning analytics, computer-vision, multimodal large language models as a tool for analysis. Wizard of the Oz methodology, Qualitative Analysis, Quantitative Analysis, Transmodal Network Analysis, Process Mining.
- Most significantly: Development of Gaze and Proxemics feature extraction from 2D video.

10. Research supervision and leadership experience

- Master's student thesis supervision. Number, 3

11. Teaching merits

- Conducted +200 hours of contact teaching in the Learning, Education, and technology International Master's Programme. Teaching courses related to technology enhanced learning and academic reading and writing. Developed materials for these courses.
- Developed online teaching materials for the digicampus platform and also during my time as an English teacher for other platforms.

12. Awards and honours

- 2020, High honours, Bachelor of Art, English Language Teaching, Middle East Technical University, Ankara, Turkey.

13. Other key academic merits, such as:

- Evaluating and interviewing incoming students for Master's students for the LET master's programme for the 2025 – 2027 cohort.
- Reviewed +30 articles for publication journals JUFO 2 – 3.
- Invited speaker for Binar Academy x Asean Foundation: AI Ready ASEAN "Data Privacy, Plagiarism, Copyright (5 modules).
- Organized Nordic Learning Analytics Summer Institute (NLASI) 2023 in Oulu.
- Research industry collaboration on how to design AI enhanced features the support learner self-regulated learning skills, coordinator.

14. Scientific and societal impact

- Development of open-source and novel methodology for studying non-verbal behaviours in collaborative learning contexts. All my methodologies are made open-source and is shared on GitHub for other to test.

15. Publication list
